**REMARKS**

The undersigned acknowledges the courteous treatment received during the course of a personal interview held on this date.

During the interview the undersigned pointed out how claim 1 as amended differs from Abrums, the only reference used to reject claim 1, the parent claim.

The Examiner suggested some additional language for par. d of claim 1 to help further distinguish this claim, and the present amendment makes the suggested change.

The undersigned or Mr. Kroll should be called in the event further changes are to be made to obtain allowance of the application.

A favorable action is solicited.

Respectfully submitted,
